Read and follow, precisely, all installation instructions provided when installing this product. Failure to do so may result in a poor fit and could place occupants of the vehicle in a potentially dangerous situation.

## Step One

Orient the Seat Back Cover with the quilting toward the front of the seat. Slip the cover over the seat back. Make sure that the openings in the top of the cover are over the seat back release knobs.

## Step Two

Release the seat back and tip it forward. Fasten the hook and loop on the bottom of the cover.
