WEAR SEAT BELTS AT ALL TIMES

Step One

Orient the Seat Back Cover with the quilting toward the front of the seat. Starting both sides at the same time, slip the opening in the cover over the seat back and pull the cover down to the seat bottom.

Step Two

Tuck the fabric flap under the seat back (from front to back). Release the seat back and fold it forward. Pull the flap to the back of the seat and tuck the flap under the back fabric. Fasten the hook strip on the flap to the loop strip in the back of the cover.

Step Three

Orient the Seat Bottom Cover with the quilting toward the top and the two fabric tabs toward the rear. Unhook the cord and lay the fabric on the seat bottom. Slide the fabric tabs under the seat back. Make sure that the cut outs on the rear corners are under the seat latch handle and that the handle is clear to operate freely.

Fold Seat Forward

Step Four

Release the seat back and fold it forward. Then release the seat bracket and tilt the whole seat forward to access the bottom of the seat. Thread the loose ends of the cord through the ends of the side and rear flaps and hook the ends of the cord together.
